

Wereldwijzer September 2023

Dear parents/ caretakers,

We hope you all had a nice holiday. Our doors will open again on Monday 4 September at 8.20 am. We are happy to welcome you all again. We start the school year on the square, there is coffee or tea for parents, the children can gather with their teacher.

We wish everyone a very good school year!

Kind regards,

Christianne

Important things before the start of the school year:

Construction of emergency rooms.

As you may have noticed, the construction of the emergency classrooms has started. As a result, fewer parking spaces will be available, so come by bike as much as possible.

Parro app

You will be invited for a child interview in the Parro app, in which all your child's stakeholders are included in 1 interview. With 1 message, the right person is always informed. You don't have to do anything for this, you will automatically be invited to this meeting.

Introductory talks

We will start this school year with introductory meetings, we would like to speak to you and your son/daughter at the beginning of the school year. You can sign up for this via the Parro app.

Treat Policy

Having a birthday is a party! When it's your birthday you are put in the spotlight and this day is all about you. From this school year we will do this without treats.

Tommy Tomato

Complimentary hot TommyTomato lunch

IKC Wereldwijs wants, in addition to sufficient exercise, that there is also an eye for healthy food. With the help of the Youth Education Fund, all children can have a healthy and warm lunch in the classroom. We work together with TommyTomato, who provides the lunches.

What are the benefits of the TommyTomato lunch?

Each lunch contains 60-100% of the recommended daily amount of vegetables for children.

- Eating more vegetables reduces the risk of lifestyle diseases and supports your child's health.
- After a vegetable lunch in the afternoon, children have longer energy and a better ability to concentrate.
- Discovering new flavors together is fun, even for picky eaters.
- The lunches are completely free.
- A hot lunch every Monday and Wednesday.

On September 11, we will start with a trial lunch for all students. You do not have to register your children for this. After the trial lunch, we will be delivering a weekly hot vegetable lunch for all children who want to use this from September 18. If you do not wish to make use of this, you can deregister with the management.

Note: Many TommyTomato dishes contain lactose and gluten. We are working hard on an allergen line, but at the moment students with a lactose and gluten allergy cannot participate. Furthermore, there are never peanuts and / or nuts in the dishes, but they may contain traces.

What's on the September 11 menu?

Bolo Boogjes

Sprankelende boogjes met rode saus
De klassieker uit Bologna, Italië: boogjes (macaroni) met heerlijke vegetarische bolognese saus. Tijdens de kinderoproevenijen is dit altijd één van de winnaars.

De groentemix
Tomaat, champignon, ui, paprika en wortel.

Genoeg groenten?
In dit gerecht zit 104% van de dagelijks aanbevolen hoeveelheid groenten!

Allergenen
Glutenbevattende granen (tarwe), selderij en mosterd.

Introducing:

Dear children and parents,

From 1 August 2023, I will be the new director of IKC Wereldwijs. I am very much looking forward to continuing to build Wereldwijs with you. I would like to introduce myself to you. I live with my husband Paul and our two daughters aged 11 and 7 in Leiden. In recent years, I worked as headmaster at De Regenboog primary school in the Overbos district of Hoofddorp. Before that, I worked at a primary school in The Hague in various roles, as a teacher, coach and deputy headmaster.

When the vacancy at IKC wereldwijs appeared, I didn't hesitate for a moment. I am looking forward to working with the entire team to build a strong child centre. A child centre in which we pay attention to the broad development of all children so that they can discover who they are, what they are good at and what makes them happy. So that they can eventually contribute to our society as happy adults.

Wereldwijzer September 2023

Over the past period, I have regularly visited the team at Wereldwijs. Every time, I feel the energy in the school. The team is very involved in the education of all children and that creates a very nice atmosphere.

Kind regards,

Toyah Vogels

I am Fetske Verhagen and may be a teacher in the Language Class from next school year.

I am really looking forward to getting started. I have only met enthusiastic people at the IKC who are passionate about their work. It seems like a wonderful challenge to come and work here: teaching the children a lot and learning a lot myself.

I come from a small school in de Zilk, in the bulb-growing region. There, I teach group 7. Before this, I worked in Hoofddorp. I live with my husband and four children in Hillegom. So from the new school year, I'll be cycling 13 km to work, no problem at all!

Hello all, Please allow me to introduce myself to you. My name is Marianne Heller and I am delighted to join the

international language classes at Wereldwijs on Mondays, Tuesdays and Wednesdays. I have enjoyed working as a primary school teacher for 18 years.

I live in Hoofddorp, am married and mother of 4 beautiful children. My eldest son is 11 years old, my daughter is 7 years old, my youngest son is 5 years old and my youngest daughter is 1.5 years old. Besides my work, I enjoy travelling and love winter sports. But most of all, I enjoy undertaking activities together with my family.

I am very much looking forward to getting to know you and the children better in the near future. I am also looking forward to joining the Wereldwijs team. Together we are going to experience beautiful moments and provide an inspiring learning environment.

Kind regards,

Marianne Heller

My name is Monica Sandbergen. I live with my husband and 2 dogs in Hoofddorp.

My 3 children no longer live at home, but on weekends we have a foster child.

My hobbies are sports, travelling, reading and watching movies.

Dear parents and students,

Let me introduce myself. My name is teacher Daphne. I am joining your lovely school this new school year.

I am 44 years old and mother of 2 children. I have a 17-year-old son and 14-year-old daughter and live in Hoofddorp. What I especially enjoy doing is getting out on the beach, singing and doing fun things with my children.

I have been a teacher myself for 20 years and have been in various groups. I have had many great years and hope to have a great time here.

Kind regards Daphne

Good day! My name is Mirjam. I live with my family in Hoofddorp. My husband and I have 2 children. In my spare time, I love taking trips with my family. I also enjoy walking, sports, reading and being creative.

At IKC Wereldwijs I work on Mondays and Tuesdays as a teaching assistant in the language classes. I have been working in education for 20 years now and I still enjoy every day. I think it is important that every child develops, which is why I try to do my best every school day.

Wereldwijzer September 2023

My name is Linda Clemens. I am married to Jan and have two daughters aged 19 and 16. I am 51 years old and have been working in education since I was 22. First for a very long time in Hoofddorp, in regular education. Then in Leiden in special education, with children with a language development disorder (TOS) or hearing impairment.

Now I come to work at Wereldwijs. Here, too, I will be working with children who want to increase their vocabulary in Dutch. I am really looking forward to helping them with this!

Good luck the last few weeks and happy holidays

Regards, Linda

Hi all.

My name is Elles ter Metz. I am a new teacher in the language classes at IKC Wereldwijs. Last year I worked in the Tulip group of Klavertje 4. In this group, the multilingual children received language support. I also completed my specialisation in teaching newcomers. Working in the language classes of Wereldwijs is therefore a great next step for me! Besides being a teacher, I am also the mother of three children aged 18, 16 and 13. Three boys who still live comfortably at home. In my spare time, I go to the gym, I like meeting up with friends and I love reading and being read to. So there will always be lots of books

in my class too! I am looking forward to working at Wereldwijs and meeting you all!

Greetings Elles.

Let me introduce myself, I'm Christianne Haan. Next school year I will be working as a location leader of regular. I am very excited to start and to meet on Monday. Before this I worked as an internal supervisor at De Wilgen in Toolenburg, which I did with great pleasure for 9 years. After 9 years it was time for a change and I am happy that I can come and work at IKC world wise. I am 36 years old, married and have 3 children aged 6,3 and 1. In my free time I like reading, swimming and sewing, and being outside with my husband and children.

My working days are Monday, Wednesday and Thursday, then you will also meet me at the door. I look forward to getting to know each other.
Greetings Christianne Haan
