

Dear parents/carers,

Last Saturday, spring officially began! We can see this in the lovely weather, the beautiful blossom and the colourful bulbs around the school.

After three very successful professional development days, we are continuing the final months of the school year full of energy. During these days, we worked as a team on various topics, including maths, motor skills and writing development, citizenship, and the analysis of test results. These collaborative sessions contribute to the further development of our teaching.

The last two professional development days of this school year are scheduled for 8 and 9 June.

Kind regards,
Team IKC Wereldwijs

Tommy Tomato

A while ago, you were asked to let us know whether your child would continue to take part in the Tommy Tomato meals on Mondays and Fridays.

From April onwards, meals will only be delivered to children who have signed up. These children will no longer need to bring their own lunch. Children who are not taking part will, of course, still bring their own healthy lunch.

Agenda:

- **23 March to 27 March:**
Money Week
- **Wednesday 1 April:**
Easter celebration
- **Friday 3 April:**
Good Friday (No school)
- **Monday 6 April:**
Easter Monday (No school)
- **Friday 10 April:**
8:30 am: A look at the group.
- **Tuesday 14 April:**
School photographer
- **Friday 17 April:**
King's Games

Money Week

The 15th edition of Money Week will take place from 23 to 27 March 2026. The theme is: 'Money fairy tales: too good to be true?' During this week, all year groups will explore the theme of money at their own level

School photographer

The school photographer will be visiting again on Tuesday 13 April!

This school year, we're doing things a little differently. As there is clearly less interest among the ITK classes and we want to make the most of lesson time, only primary school pupils will be photographed during school hours.

Parents of ITK classes who would like their child to be photographed can come to the school library after school (from 2.30 pm).

This also applies to all sibling photos.

Photos of ITK pupils and sibling pairs will therefore no longer be taken during school hours.

Wist u dat?

Are you on a low income? If so, you may be eligible for the Child Support Package. The Child Support Package provides financial assistance with costs for your children that you are unable to cover yourself. This includes, for example, swimming lessons, sports lessons, music lessons or parental contribution.

In this way, the Child Support Package ensures that children can participate fully at school and in their leisure time.

King's Games

On Friday 17 April, we will be holding the King's Games. This day is all about sport and fun activities in the classroom. It will be easier for your child if they wear trainers and comfortable clothing. No flip-flops, boots, etc. Your child is also welcome to wear orange clothing, but this is not compulsory.

Parents are welcome to join us at 8.30 am on Friday 17 April to officially open the King's Games.

We need your help again this year. Would you like to accompany a group of pupils around all the games? An invitation will be posted online via Parro-app shortly. You can sign up there.

Let me introduce myself:

Hi everyone,

My name is Anne and I'll be starting as a teaching assistant in the International Language Classes from mid-March.

I've lived in Hoofddorp all my life, but I'm currently studying in Leiden. There, I'm doing a pre-master's in Educational Sciences to prepare for the master's degree I'll be taking next year.

Before this, I studied a completely different subject – Film and Literature – and although I find films and stories incredibly interesting, my heart lies more with education for the future. I also enjoy sports and love playing games.

I am very excited to gain experience as a teaching assistant and to build a good rapport with the pupils. I will be at school on Tuesdays and Thursdays. I look forward to getting started and meeting everyone!

Kind regards,
Anne Verbeek

Did you know that?

The first King's Games were held in 2013, the year King Willem-Alexander was crowned. The aim is to show children and their parents how fun and important physical activity is.

The King's Games is now an annual sports day for children in the Netherlands.

Important: close the gate

Sluit het hek
Close the gate

For the safety of our children and our school, we kindly ask you to always close the gate when leaving the school grounds. The gate has a three-point knob lock which you open by pressing the black knobs simultaneously and then turning them. Thank you very much for your cooperation.

Year 5 are helping out in the vegetable garden!

Last week, Year 5 and parents from the Parents' Council worked together to prepare the vegetable garden. What a team effort! Now we're hoping for a good harvest later this season.

Thanks to the parents' council, our school looks beautifully decorated.

Vegetable garden

Farewell, Margreet

As of 1 April, I will be leaving IKC Wereldwijs. It has been a real privilege to work with you all. I have had so many wonderful encounters and heart-warming conversations.

It is time for a new chapter. I am taking with me a wealth of wonderful encounters and valuable experiences. I have learnt so much from you all! I am very grateful for that. Your trust, support and openness have meant a great deal to me. I have felt truly valued.

I would like to thank everyone for their trust and the lovely moments we have shared. I wish you and your children every happiness and success for the future!

The school will introduce the new liaison officer to you shortly.

Kind regards,
Margreet
