

Dear parents/guardians,

This is the last Wereldwijzer of 2025. The Christmas holidays start in one week. The Sinterklaas period is behind us. The school is completely in the Christmas spirit. It looks beautiful. Christmas is a celebration of connection and getting together with family and friends. It is about togetherness and thinking of everyone, including those who are struggling. In this World Guide, you will find more information about our Christmas celebrations next week.

On Tuesday 9 December, the education inspectorate visited our international language classes to assess whether we provide good and safe education. They rated the language classes as "sufficient", which means that we meet all national requirements. During the visit, we had valuable discussions about how we can further strengthen our education. They see and hear from children, parents and teachers that it is enjoyable and that very good lessons are being taught. I am extremely proud of all my colleagues, who work with heart and soul every day to ensure that all children feel seen and have the best opportunities to learn and grow.

I wish you all a very Merry Christmas and a Happy New Year.

Kind regards, also on behalf of the entire IKC Wereldwijs team,

Toyah Vogels
Managing Director

Christmas

Christmas 2025

On Thursday 18 December, we will once again be celebrating Christmas at school. As we do every year, we want to make this a special occasion. This year, we have decided to hold a musical (performed by groups 6/7) in the Marktplaatskerk. We are looking forward to this celebration! We hope it will be a warm and meaningful moment that contributes to the sense of community within our school.

Between 5:30 and 6:30 p.m., the children will have their Christmas dinner at IKC Wereldwijs. We will transform the classrooms into festive and cosy party rooms. Parents are welcome to bring their children to their classrooms at 5:15 p.m.

While the children eat their Christmas dinner in the classroom with their teacher, refreshments will be available for parents in the schoolyard. We hope it will be a wonderful evening!

The children will bring food to eat with their classmates. Perhaps you could make a tasty dish from your home country? The children will then be able to taste all the different dishes. We will provide lemonade, and the teachers will provide plates, cups and cutlery for the language classes.

For the regular primary school, it would be great if you could send a plate/cup and cutlery in a bag with your child's name on it. Please make sure your child brings this with them on Wednesday.

Would you please discuss with your child at home what food they would like to bring to school? In class, you can let us know by writing it on the list on the door. You can also tell the teacher, who will write it down for you.

Not sure what food is suitable to send with them? Children love pieces of cucumber, tomatoes or fruit. They also like pancakes and baguettes. All snacks are fine! Don't send too much, as there are 15 to 20 children in the language classes. Regular primary schools usually have 20 to 30 children.

Kind regards,
The events committee

Christmas hampers for every child

This year, there will be a Christmas hamper for every child.

We owe this to the Youth Education Fund.

The contents of the Christmas hamper have been put together by the parent council, the liaison officer and the location manager of the primary school.

The Christmas hampers will be given to the children to take home at the end of the school day on Wednesday 17 December.

We wish everyone a happy holiday season and a prosperous New Year!
